

EUROPEAN BPM ROUND TABLE

The **European BPM round table** is the premier venue for researchers and practitioners to meet and discuss the latest trends in business process management.

European BPM round table workshop

Location: Eindhoven University of Technology
Building: De Zwarte Doos
Room: Filmzaal
Date: Monday 5 November
Time: 9:15 - 17:30

Participation is free, but please register at: bpmroundtable.nl/register.php

Since the BPM Round Table was first organized, its concept was adopted by organizations throughout Europe. At this moment there are 22 local BPM Round Tables. To celebrate this success, the European BPM Round Table will organize a special joint workshop, during which pairs of researchers and practitioners will showcase their successful collaborations. You are cordially invited to participate in this day.

There are currently **22 national BPM round tables**. You are invited.

The European BPM round table provides a European infrastructure, in which national BPM round tables share, among other things, knowledge, speakers and contacts.

Activities and meetings between researchers and practitioners are organized by the national BPM round tables. Currently there are 22 of them and their number is still increasing.

If you are interested in joining a national BPM round table and being part of the forefront of BPM researchers and practitioners, you are invited.

Follow the link below and connect to the BPM round table closest to you.

We look forward to welcoming you at one of our meetings.
